

LDV Winery Library Wine Tasting and Sale

Friday March 24, 2017; 6:00 to 8:00 PM

**BEHIND THE CELLAR DOOR
LDV LIBRARY TASTING**

First Ever LDV Wine Library Tasting

Grapes have never been grown at our site before LDV planted. How well our wines are going to age is still a mystery. For this reason, LDV Winery has maintained a wine library of all LDV releases since day one! We now have some wines that have been in the bottle for over five years and it's time to see how they are doing – with you! Join us as we sample and evaluate LDV wines from the 2008 through 2011 vintages. On the menu: 2008 Syrah (LDV's first wine), 2009 Petite Sirah and Sky Island Petite Sirah (our first estate wines), 2009 R.E.D., 2010 Petite Sirah and the first "The Signature" (2010) bottling. We will also be dipping into several older Grenaches and maybe a Viognier or two! Some of these oldies but goodies will also be available for purchase in limited quantities.
