Unique Place for an Event or Meeting

Lawrence Dunham Vineyards (LDV) is an Arizona award-winning estate winery with high altitude vineyards in the Chiricahua Mountains in Cochise County. In late 2014, LDV opened a tasting room, retail shop, art gallery, and event space – the Wine Gallery – in downtown Scottsdale. Curt Dunham, Lawrence Dunham Vineyards winemaker describes the Wine Gallery as “a piece of the vineyard comes to Scottsdale.”

The winery owners enhanced the quaint character and charm of an old Scottsdale ranch house with two mature tree-lined patios offering shady spot to relax. The indoor space is approximately 1,500 square feet that can be configured many different ways for events and meetings from cocktail parties for 100 or intimate winemaker dinners for 20, or team-building wine workshops for 10. The two patios (front court yard and smaller back patio) can be configured for seated or cocktail events. The facility has on-street parking, a small back parking lot, and public parking a short walk away.

The Wine Gallery is within walking distance to hotels and resorts, fine and casual dining, art galleries, the new Museum of the West, shopping including the Scottsdale Fashion Center, exciting nightlife, and entertainment amenities. There are numerous trolleys, golf carts, and other public transit opportunities to transfer guests from surrounding resorts to the Wine Gallery or other attractions within downtown Scottsdale.

Lawrence Dunham Vineyards Wine Gallery provides the opportunity to create a uniquely tailored event to meet each customer’s needs. Each event is individually designed resulting in a memorable experience.
