Health & Safety Protocols

In this rapidly changing environment, we hope that everyone acts responsibly. To ensure everyone's safety, we make the following commitments to each other:

OUR PROMISE TO YOU

- We have implemented protocols for safe sanitation practices and trained all team members on safe food and beverage handling. We will conduct ongoing review of these protocols, modifications will be made as necessary, and training will occur as warranted. We will comply with CDC, state, and city guidelines.
- All LDV staff are fully vaccinated.
- Masks are optional for guests but encouraged when walking within the open area.
- Hand sanitizer is available to all customers and employees.
- We will clean and sanitize common areas and surfaces regularly.
- We will clean and sanitize each guest area after every use.
- QR code menus are used. If guests would like a menu book, they are sanitized after every use.
- Glassware is cleaned and sanitized after every use.

YOUR PROMISE TO US

- If you have been recently exposed to COVID-19, have symptoms of COVID-19 (including a fever, cough, or shortness of breath), or underlying health conditions please help us keep everyone safe by ordering online or using our delivery options.
- If you are not vaccinated, then wear a mask in and around the tasting room. Once seated, you can remove your mask to enjoy wine.
- You agree to follow the social distancing and sanitary guidelines that have been put in place to protect you and our other customers and employees.
- For everyone's safety please comply with staff's direction as they implement health and safety protocols.
- If you have any questions about these promises, please ask for a manager who will be happy to assist you.
