

LE NEZ DU VIN

Wine Aroma Therapy

**ENJOY A UNIQUE, INTERACTIVE,
CURATED WINE EXPERIENCE.**

Sensory Exploration

The event focus is on expanding your wine appreciation using all your senses, particularly building your expertise with identifying wine aromas. The goal is to expand your wine vocabulary and knowledge.

Award Winning Wines

The 90-minute interactive event includes tasting a variety of LDV wines. LDV grows Rhone varietal grapes and produces wine from those grapes.

What is Included

A lot of education and discussion about winemaking, wines, and wine pairing: using aroma jars and scent vials, guests learn to identify and distinguish various wine scents. The event includes tasting at least four different wines, nibbles, and a wine and chocolate pairing. LDV wants you to be the smartest at your next cocktail party.
